

REQUIREMENTS:

Application/Request for Grant of Letter Patent (Invention)

- (a) A duly signed Request for Grant of a Philippine Patent/Request for Design Registration;
- (b) English specification and claims;
- (c) A duly signed Special Power of Attorney (SPA);
- (d) Formal drawings, if necessary; and
- (e) A certified copy of the corresponding foreign patent application together with the verified English translation thereof, if claiming convention priority.

The duly signed **SPA** and certified copy of the priority document [foreign patent application and verified English translation] may be filed within six (6) months after the lodgment of the patent application. The English translation need not be notarized.
